THE DESIGN RADIATOR WITH ALL BENEFITS
OF THE ECO RADIATOR

DECO RANGE

Everest Slim ECO

The age of radiators being hidden behind the sofa came to a definite end with the arrival of the Everest Slim ECO. You'll actually want to highlight this radiator. The completely smooth front and flush black top grill and side panels give the radiator an unrivalled look. Its high quality finish offers you a highly attractive and warm radiator for years on end. Use it in combination with the Alto Slim to create a light and spacious feel throughout your whole home.
